Poem:

Four little bunnies hiding in the grass.
One hopped away and then there were
three.
Three little bunnies playing hide and
seek.
One hopped away and then there were
two.
Two little bunnies nibbling on the
flowers.
One hopped away and then there was
one.
One little bunny left all alone.
He hopped away and then there were
none.

Verse 2:

The bunnies like to eat.
The bunnies like to eat.
They nibble the carrots and garden
treats.
The bunnies like to eat.
